 - Tools: Visual Studio Code
-

PROFESSIONAL EXPERIENCE

Breakout Games

March 2021 - October 2022

SEO Intern

Key role:

- Assisted in optimizing on-page elements including meta titles, meta descriptions, headers, and content to improve organic search rankings and click-through rates.
- Conducted competitor analysis to identify gaps and opportunities in the digital landscape, resulting in targeted content creation strategies.
- Contributed to link-building efforts by identifying relevant websites for potential backlinks, conducting outreach, and building relationships for off-page SEO

IBM

June 2023 - July 2023

WEB DEVELOPER Intern

Key role:

- Creating responsive and user-friendly websites by writing clean HTML, CSS, and JavaScript code.
 - Collaborated within a team of four developers to design and develop a dynamic website inspired by Home rentals sites.
 - Worked closely with team members to ensure seamless integration of features, smooth user interactions, and responsive design.
 - Actively participated in brainstorming sessions, code reviews, and problem-solving discussions, fostering a collaborative environment that led to the successful delivery of a website we named as ELLITE HOME RENTALS.
-
